

FREEDOM

journey for TEENS

Why is life so hard?

Why am I going through painful things?

Why does God let this happen?

How am I supposed to deal with life?

Who is God, really?

Does he see me or even care?

Honest questions deserve honest answers.

More than just a Bible study, Freedom Journey for Teens helps you discover the truth about God, your inherent value, and how to navigate life and its many challenges. Along the way, you get closer to God and begin to live the life he created for you. Each weekly class includes a short video lesson and time to work through questions in a small group setting. Students ages 14-19 are welcome. Join us and bring your friends!
